

ESTEVE appoints Jordi Muntañola as *Chief Commercial Officer* for Europe

Barcelona, February 13th, 2019.- ESTEVE has appointed Jordi Muntañola as the new Chief Commercial Officer for Europe, taking on the leadership of all the pharmaceutical activities in Spain and Europe. Dr. Muntañola takes over from Joe Sullivan, who remains at the company for a few months facilitating a smooth transition.

Born in 1978 in Barcelona, Jordi Muntañola holds a PhD in Molecular Biology from the University of Navarra and an MBA from ESADE. He has broad experience in the healthcare sector at companies such as the Werfen Group

and Esaote, among others. Throughout his career, Dr. Muntañola has formed part of and managed teams of R&D, Corporate Strategy, Business Development, Operations and Business Management, and has headed Business Transformation projects in Spain as well as internationally.

Jordi Muntañola joined ESTEVE's team in 2016 as Director of Pharma Operational Excellence, a responsibility to which, at a later stage, the Management of the Consumer Care Division was added.

About Esteve

ESTEVE (www.esteve.com) is a global pharmaceutical company based in Barcelona. Founded in 1929, it currently has more than 2,300 employees and a significant footprint in Europe, USA, Mexico and China. In 2018, it reached turnover of 758 million Euros. Research is its main hallmark, and it has a highly innovative portfolio aimed at different medical specialties so as to provide answers to medical needs not adequately met.
